HOUSE ELECTIONS 2021-2022

Every year, the House Elections are held with the purpose of helping students understand the importance of the right to vote by allowing a democratic selection of community leaders (House Captains). Through this exercise in civic responsibility, students are encouraged to reflect on the concept of global citizenship and their impact as individuals.

All House Cabinets this year deserve our applause for the hard work and enthusiasm they put in leading up to the elections. A sense of camaraderie could be seen not only within the House Committees, but among all Houses in their collaborative promotions during the campaign process. We appreciate our students, House Masters and House Mistresses for their passion in building a better school community.

This year, a leadership training programme for upcoming cabinets was held in July. Participants underwent various team-building activities with their committee members through which they got to know and learn from each other. Cabinets also started to map out the promotional campaign in that period. The programme acted as a communicative space where cabinets had access to resources and feedback to build their campaigns. We would like to thank the House Masters and Mistresses who helped to guide their respective cabinets in structuring their campaigns; the promotions by all the cabinets were all very creative!

Last year, a lot of activities were suspended due to the pandemic. Many students, especially newcomers, could not experience the bustling atmosphere usually created by the excitement of House events. This year, I look forward to seeing the House Committees rebuild that very same atmosphere so that students can truly experience House spirit and further bond with their fellow Housemates.

吉利徑每年都會舉行四社選舉，目的是通過民主的選舉選出學生領袖（社長）來讓學生了解投票權的重要性。通過這項公民責任的模擬活動，學校希望能夠鼓勵學生反思全球公民的概念及自身的個人影響。

今年所有的內閣都值得我們為他們在選舉前付出的辛勤和熱情鼓掌。四社的成員不僅在委員會內部，而且在所有社之間在競選過程中的合作中都可以看到友誼和羈絆。我們感謝我們的學生以及社負責老師對建立更好的學校社區的熱情。

今年7月，學校為即將競選的內閣舉辦了領袖培訓計劃。參加者在期間進行了各種讓他們能夠相互認識和學習的團隊活動。計畫當中，各個內閣也開始製定競選期的宣傳活動。這個計劃充當了一個交流空間，使內閣可以在期間獲得資源和建議以求力臻完美。我們感謝在計劃中協助指導各內閣組織競選活動的負責老師；所有內閣的宣傳都非常有創意！

去年，由於疫情的關係，許多活動都暫停了。許多學生，尤其是新來的學生無法體驗通常由四社活動所營造的熱鬧氣氛。今年，我期待看到新任四社重建同樣的氛圍，讓學生能夠真正體驗四社精神並進一步與其他社友建立感情。

L HOUSE: SALINA

Despite our huge ambitions in the past few years, L House has always come in second place or one of the runner ups. These ambitions unfortunately faded away as Covid took over. Even last year, we were labelled as the “Lazy” house because we did not have anything planned for our house members and schoolmates, which brought on even more reasons to call us “Losers”. And this is one of the major reasons why I wanted to run for House Captain this year. I wanted to bring back that Legend spirit that we lost not too long ago. I believe it is still possible to revive that determination and enthusiasm we all once had. I am going to do my absolute best to achieve my goals for our house, and I hope that all our house members could help us reach them!

O HOUSE: GABRIELLE

Hi, I'm Gabi from 5IB and the current O House Captain! Over the years, I realised how much I've always wanted to become captain. I strive for change, and becoming the captain of Optimism has given me the perfect opportunity to make a lasting impact. Optimism strives for the spread of joy through the mundane. Our goal is to hold activities catering for all and to combat the daily stresses in GP through fun activities planned, such as the Inter-house Games Night, GP Chef and many more! We also want to make a lasting impact and make O House the best house of them all! So I, alongside my fellow cabinet members, plan to make this year a remarkable one! Stay tuned for any future announcements!

V HOUSE: SAPREEN

Hello everyone! I'm Sapreen from 5IB and the House Captain for V House this year. I'm glad to have the opportunity to become captain and take up the responsibilities of the role. My goal is to make the students of V House proud by providing them with an enjoyable school life and an eventful year to be remembered. As captain, I also want to guide my cabinet smoothly and work together to give our best.

I really appreciate all the previous captains who have inspired me to become captain. The process of becoming a captain is absolutely heartwarming, a new experience that teaches you a lot in life. Therefore, it is important to take up challenges and that's what I did. I promise to do my best to make you all confident in us. Let's go V House! We are Victory and that's what we will achieve together!

E HOUSE: MERCY

Hi guys! I'm Mercy from 5IB and this year's captain for E House! The whole election campaign was honestly surreal, but I've made some promises to this year's house members and fellow schoolmates! You saw our E House board on the ground floor and our plans for the school year. A promise from yours truly is to get activities done and to do them fast! Hopefully, you got to experience "the E-scape rooms" we organized to kick start the school year! Our value is to cater to everyone's needs to have a fun and fulfilling school year. I wanted to run for captain because I essentially wanted to "pass on the banner" in a sense. My first two school years in GP were very fun and memorable, and I owe it to the house captains before me. If I can accomplish just 10% of what they have done, that'd be my success for the year. Hopefully, I'll accomplish this and bring E House to rise and soar!
